Foreword

"School days, school days, dear ole golden rule days—"

Our chief aim is to present to you a picture of our school life and to portray accurately the traditions, the spirit, and the activities of Yazoo High.

May this annual be to you a treasure chest of memories—memories of a small slice of your life, which can be kept evergreen by reminders of "when we were a couple of kids."

THE ANNUAL STAFF

DEDICATION

Because she has given unstintingly of her good will, cheeriness, and understanding

Because she has encouraged, criticized, guided, and praised untiringly and interestedly

Because she is an integral part of all we know and hold dear as Yazoo High

Because we have known her

We, the staff, proudly dedicate this 1949 Mingo Chito to Mrs. Ruth Wilburn.

SUPERINTENDENT'S MESSAGE

I congratulate the 1949 staff of the Mingo Chito for having produced a book which measures up to the high standards and fine traditions of the Mingo Chito of past years. You have every reason to be proud of a job well done. May your Mingo Chito recall to you many happy memories and pleasant associations in Yazoo City High School.

In your search for happiness and success in the years to come, may you ever faithfully observe the following admonition from Proverbs as you have observed it in Yazoo City High School:

"Keep thy heart with all diligence;
For out of it are the issues of life."

Fred W. Young

Superintendent

THEY REIGN IN GLORY!

Dora Lee Livingston — Queen, Ben Rusche — Captain, Carolyn Wilkins — Maid, Sam Pugh — Alt. Captain, Joan Turner — Maid

On August 17, 41 Indians reported for practice, eager in anticipation of the coming season. The Indians rounded into shape rather quickly, having benefited greatly by the arduous spring practice. On Friday, September 17, the Indians took the field against their sole Big 8 (teen) foe, Natchez. To have gone down in defeat to the tune of 34-14, the Indians showed surprising prowess. The next week hard work was the keynote of the practice for the encounter with Indianola. Against the Indianolans, the Indians tasted of victory for the first time, 25-7. The Indians next took on the Warriors from Belzoni in a renewal of rivalry, trouncing them 34-6 in one of the best games ever witnessed by local fans. On October 8 the Indians journeyed to Cleveland for the first game in the history of the two schools, with Yazoo coming out ahead 25-7. The Indians journeyed to Grenada for the next encounter. Very early in the game the Indians lost the services of Alt. Capt. Sam Pugh, which were sorely missed; but in his shoes stepped "Dicky Bird" Wise. The Indians fought a grim, determined battle which resulted finally in a victory, 25-18. Next came the breather of the year. The Indians turned back Puckett 38-0.

The Indians next encountered Kosciusko, probably the strongest team faced during the year. With several Indians ailing, defeat was tasted, 25-6.

The highlight of the annual homecoming celebration was the Indians-Hazlehurst game. The Queen, Miss Dora Lee Livingston, along with her two maids, Misses Carolyn Wilkins and Joan Turner, were crowned to reign over the festivities. The Indians, with this inspiration, came out on top 25-20.

The Leland tilt was a game for a supposed D.V.C. Championship. The Cubs hit hard, defeating the Indians 20-6.

The Indians putting up a ferocious battle, fighting their traditional rivals on Thanksgiving Day before the largest crowd ever to witness a game on Crump Field, made the whole season successful by defeating the Panthers of Canton 7-0. This victory made us eligible for the championship of District 6. The Indians defeated Clinton for the Class A Championship of District 6.

Due to the fact that a play-off game with Drew was impossible, the Yazoo Indians and the Drew Eagles were declared Co-Champs of the Delta Valley Conference, organized this year and including Yazoo High as a charter member. Thusly, the Indians defeated their three traditional rivals: Indianola, Belzoni, Cleveland, won the Class A Championship of District 6 and were declared Co-Champs of the D.V.C.

Jackets were presented to the lettermen of the squad in the assembly program of Friday, January 28. The Football Mothers and the Touchdown Club awarded the jackets, which were some of the most beautiful in the history of the school.

First row, left to right: Johnson, Crawford, Shull, Cheatham, Lewis, Chief Foot Ball, Fletcher, Melton, Wise, Sands, Campbell, Jones. This year the Yazoo City girls of 1948-49 have been led by their two co-captains Mable Jean Pettigrew and Elizabeth Ann Clark, a very unusual situation.

Getting off to a slow start, the Yazoo Indianettes played Satartia. Due to the lack of practice, the Indians were defeated by one point. Yazoo has played ten scheduled games. Because of their reputation and achievements, they were invited to play Forest Hill in the March of Dimes tournament in Jackson. Yazoo, having always been an arch rival of Forest Hill, was beaten by nine points, Dykes being high scorer and Clark close behind. The Yazoo guards were outstanding and showed great form.

On February 3, 4, 5, the Yazoo girls attended the D. V. C. tournament at Cleveland and played Leland, Belzoni and in the finals played Cleveland. Yazoo by excellent team work defeated Cleveland for the D. V. C. championship and were presented a trophy for this accomplishment.

Yazoo, losing only one first string guard last year, was able to replace that guard. Yazoo has showed the same fine form of last year. The only regulars from this year's squad that will graduate are Mable Jean Pettigrew and Elizabeth Ann Clark. They will be missed greatly by the team, but Yazoo being well equipped has more splendid players to replace them. The future looks bright.

1949 BASKETBALL

On December 16, Coach Louis Thornton issued the call for basketball candidates. A large number reported and workouts were begun immediately. Two games were played before Christmas and practice was continued during the holidays. As the season progressed, the Indians rounded into shape and probably played their best game of the year against Belzoni, winning 41-39. Soon afterwards the Indians met Benton and were soundly trounced, but one week later the two teams met again. During the entire game, with the exception of two minutes, the Indians held at least a 4 point margin. But in those two minutes, the Bentonites forged ahead and won two points. But the victory for Benton was even more a consolation to the Indians.

On February 3, 4, 5, the Indians attended the Delta Valley Conference Tournament at Cleveland and were eliminated by Belzoni.

On February 17, 18, 19, the Indians will enter the Middle Mississippi Regional Tournament at Yazoo City. At this writing the results are unobtainable.

The Indians, led by Capt. Jimmy Moore, are coached by L. L. Thornton.

1948

The 1948 baseball season marked only the second year since this popular sport's renewal in Yazoo City High School. Handicapped by the loss of 1947's most valuable performers, and also by the lack of experience existing among the candidates, Coach Louis Thornton grouped together a potent, fast-learning aggregation with only two seniors on the starting nine, the nucleus of the squad freshmen, sophomores, and juniors.

Facing these difficulties, the 1948 Yazoo High baseball team captured three contests, while dropping seven, to older, more capable opponents. The Indians scalped Satartia in the season's opener, then lost to Flora, Benton twice, Bentonia twice, Central of Jackson twice, and Satartia in a return engagement. Yazoo also swamped Flora in their second meeting.

"Bubba" Forest, senior infielder won the batting average contest within a near 300. Other standouts were "Tutter" Simmons, infield-pitcher; Ray Jones, pitcher; and Jimmy Moore, infield-outfield. Highlights of the season was a triple-play staged by Flora's top-notch infield, a one-hitter hurled by Benton's Pepper, and several nice pitching jobs on the part of Jones.

RESUME OF 1948 TRACK SEASON

The 1948 track team under Coach Malcolm Shackelford showed interest and versatility that long has been absent from the teams. The Indians attended several dual and triangular meets in preparation for the annual Middle Miss. Meet.

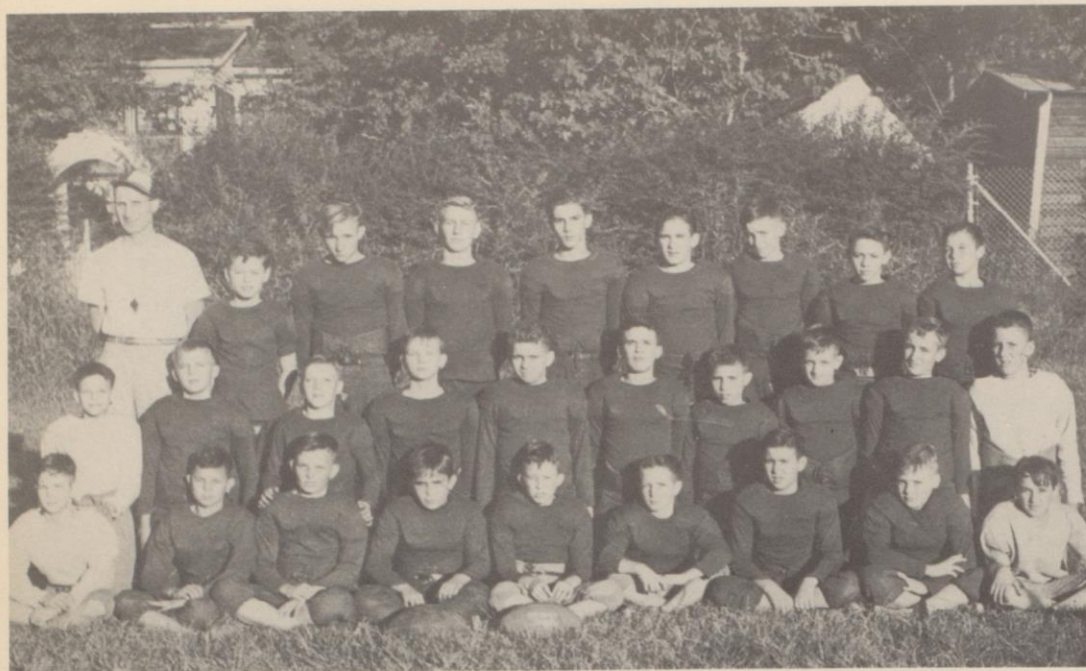

On April 23 the Indians journeyed to Clinton to this meet with 16 schools represented. The girls paced the team to a fourth place by scoring 14 points in 5 events. Rosamond Norman placed first in girls' broad jump with a jump of 15' 4 1/2". The boys scored 20 points in 9 events, led by Sam Pugh with 9 points, earned by placing first in pole vault, second in broad jump, and fourth in discus.

The contestants placing first and second attended the State Meet at Clinton. Those eligible from Yazoo were Sam Pugh and Rosamond Norman. Pugh placed first in the state in the broad jump with a jump of 21' 4". Norman placed fourth in the girls broad jump, thus ending a successful track season.

The purpose of the National Honor Society is to exalt scholarship, character, leadership, and service. Its members aim to hold before the school such motives as shall induce others to aspire to scholarly habits, enlisting in worthy service and leading forward in all things that shall advance the welfare of the school.

The selection of students for this honor each year is made on a purely objective basis. Each teacher having juniors and seniors in her class is requested to make nominations from a list (furnished by the office) of students who stand in the upper one-third of their classes in scholarship. All students named by as many as two teachers are then ranked—in Scholarship in order of their average grades; in Leadership and Character by averaging the rating assigned to them by each of their teachers on score cards for these traits; and in Service by ranking them in order of the total of service letter points which they have earned. The students having the highest total ranking are then named for this honor.

A branch of the National Athletic Scholarship Society was first organized in the Yazoo City High School in 1945-46. This organization was founded in 1925 by a group of high school principals who felt that such an organization would encourage better scholarship, better sportsmanship, and better citizenship among high school athletes.

The members of the National Athletic Scholarship Society are chosen on the basis of scholarship, sportsmanship, and citizenship. Boys are eligible who earn varsity letters in either major or minor sports, and whose scholarship for three consecutive semesters is equal to or above the average of the school and who have exemplified the highest type of sportsmanship and of citizenship.

In 1945-46 Riley Koonce, Basil Stricklin, and Ben Lester were awarded this honor; in 1946-47, Donald Cox, Jimmy Crook, Ben Rusche, and Fred Young, Jr.; in 1947-48, Jerry Barrier, Segar Collier, Flint Liddon, Kelly Love, Billy Perry, and Louis Wise; and this year Tommy Campbell, James Stricklin, Pon Tackett, Chuck Barrack and Tommy Foard.

The Press Club, the high school journalism club, is in charge of the school paper, The Flashlight. Every member has done his part in the past year to publish a paper of which he could be proud and to edit one which would do its task of informing its student and adult subscribers of school activities and happenings.

The Press Club also plays a part in acquainting its members with the fundamentals of newspaper writing, of dealing with and understanding people. It teaches them greater appreciation of the problems of other newspapers; it serves to broaden their interests in many ways and to prepare them for future study or employment in the fields of either editorial or advertising work.

In charge of the editorial work is Laurie Stigler, our editor, who, with her capable assistant editor, Berry Reece, has tried to give a varied and well-rounded picture of Yazoo High School life. Promoting our advertising and keeping a close check on every finance is Billy Steen, business manager, ably assisted by Sonny Temple. They have supported the paper well by soliciting advertisements from the business firms of Yazoo City and acting as our contact men. Joyce Holaday, exchange editor; William Morris, sports editor; and Martha Davis, secretary, are to be commended for their invaluable aid throughout the year.

We wish to thank Mrs. J. W. Parker, our sponsor, for her guidance and assistance the past year. Her ready co-operation and helpful advice have proved a major factor in keeping us moving toward our goal of "Each Flashlight a better Flashlight".

The purpose of the Y-Club is to promote good sportsmanship, school spirit and to further the interest in athletics. Initiations are held semi-annually for the purpose of inducting new members. A boy is eligible for the membership in the Y-Club if he has lettered in one of the four major athletics sponsored by the school.

The Y-Club this year is giving gold keys to the Senior members and this practice will probably become a custom in the future.

In this endeavor we seek to understand Jesus, to share his love for all people, and to grow in the knowledge and love of God."

This year the Y-Teens have seventy-four loyal and interested members. This year we used a very impressive initiation service for those who entered our club for the first time. That same night we entertained parents, teachers, and friends with a weiner roast. During the year we worked on a radio program in which we gave a very interesting skit, staged a talent program to raise money, and prepared Christmas boxes for the unfortunate children in Europe.

The Junior Y-Teen Club of Yazoo High School was organized at the opening of school this year to provide for the Junior High and Freshman girls an organization similar in purpose and program to the Senior Y-Teens.

The organization attempts through its meetings and activities to help its members develop in the three phases of life—physical, mental, and spiritual—represented by its symbol, the Blue Triangle.

Our theme for 1948-49 is "Match to your Dream the Deed." The "dreams" of the Committees include an installation service, some good parties, three worthwhile program units, and a number of service projects. May they match to these dreams the deed!

JUNIOR-SENIOR DRAMATIC CLUB

During this school year, 1948-49, the Junior-Senior Dramatic Club, sponsored by Miss Frances Oakley, consists of eighteen very willing and active members

The Junior-Senior Dramatic Club with the assistance of the Library Club planned a very entertaining assembly program for Book Week. We also gave another assembly program in December and one in the spring. We are planning to give a three act play at night sometime after Christmas and are to give a P.T.A. program.

Every one has been most cooperative in the Junior-Senior Dramatic Club and has helped the sponsor and officers in every way possible.

The Freshman-Sophomore Dramatic Club is composed of twenty-four members, fourteen of whom are girls, leaving ten boys to carry the masculine roles.

We planned two big social events, one a big party given around Christmas, the other an outdoor event in the spring. Our main dramatic work was in the form of a minstrel, which received much thought.

Perhaps we should say that our main aim is to satisfy the school with assembly programs when we are asked, but we feel it's primarily to have fun. We have a good club this year and expect to fulfill our aims and speedily become the first and foremost club in school.

The Yazoo City Hi-Y Club is one of the oldest Hi-Y Clubs in the state of Mississippi. This year the club is sponsored by Mr. W. S. Rush, a leader in the Hi-Y work for many years.

Before adjournment last year the club raised enough money to send Flint Liddon as the delegate to the Fifth National Hi-Y Congress at Oxford, Ohio. The conference, held June 25-30, brought boys together from all over the United States.

The calendar for the year 1948-49 included participation in the Junior Red Cross Drive, giving to the March of Dimes, attending the district conference, sponsoring a Hi-Y basketball team, and programs in other Hi-Y clubs of the state.

TIDE CLUB

Trade, Industrial and Distributive Education Clubs, commonly called Tide Clubs, were organized for the purpose of providing a medium for the exchange of ideas, methods, and information pertaining to vocational education; to promote good fellowship and closer relationship and a fraternalistic spirit among the club members; to provide a "clearing house" for ideas and information contributed by various clubs; to promote trade and industrial and distributive education throughout our state and nation; to cooperate with other organizations in the promotion of worthy educational ideas; to foster a cooperative spirit among schools, students and employers; to encourage a professional attitude in work and study.

Virginia Vancleave, our Club President, represented Yazoo County in Better Methods Electric at the "State 4-H Round-Up" in Jackson November 18th.

Other activities our club participated in were: Rally Day, project judging contests, Club camp, County fair, and 4-H Junior Council Meetings.

Third Row: Edward Aronson, Tommy Winstead, Ronnie Warren, Mr. Hubbard, Tony Wamble, Ray Jones, Billy Vandevere, Billy Warren, James Stricklin, John Shackelford, Malcolm Miller.

4-H Club work is based not only on the needs and interests of 4-H Club members but on the needs of the agricultural community to which they belong. Members are led to feel that they have a useful part of the world's work to do and that, in doing it, they may grow mentally, socially, and spiritually; that they, as an integral part of the community have a definite responsibility in improving their community and in making it finer in every way.

Perhaps the most outstanding results of 4-H Club work are those concerned with attitude building, which in turn leads to constructive effort. Surprising accomplishments have been observed after young people have developed those ideals that make for progressive rural leadership. Among such ideals the most noticeable have been those bringing about effective service in the home, on the farm, and in the home community, that often have led to the improvement of the whole community. Other results include development of an enriched outlook and more far-reaching vision; increasingly recognized ability to organize and cooperate in home and community undertakings; development of a health consciousness and standard; economic independence; advantages of further education and travel; acquaintance with sources of accurate information in agriculture and home economics; and worth-while friendships with outstanding men and women of the community and state.

The club chose as one of its projects for the year, the adoption of a child in both the Baptist and the Methodist Orphanages to whom to send Christmas gifts. A nice selection of gifts was sent to each. We also adopted a Home Ec. class in Germany and had a very interesting correspondence with it.

In order to make money, the club made sandwiches and sold them and candy at the basketball games. The club is to be used in further improvement of the department.

The officers and sponsor had the pleasure of attending F. H. A. sub-district meetings which are held in Jackson.

The following are the goals and ideals of the club and around which the programs are built: Improving ourselves; contributing to our games; co-operating for school betterment; developing our organization; preparing for careers in homemaking; serving our school; community, state, and nation; promoting international good will; promoting individual, family, and community recreation.

This year the O. T. C. is affiliated with a national club, The Future Business Leaders of America. Membership is open to any student of the commercial department. As a member, one develops co-operation, initiative, and leadership. Through work in the club one is taught what business expects of her and learns to live better by learning more about business.

The club has shown many films dealing with the secretary in action. From these films we learn the proper way of applying for a job, and the correct procedure on the job.

The Library Club, under the sponsorship of Miss Frances Oakley, was newly organized this year. It is composed of the assistant librarians and a group of girls who do monitorial work in the library. As yet it is not an accredited club, and no extra curricular credit can be given until the club has proven its worth. We hope, however, to take our place among the regular clubs in a year or two.

The main duties of the Library Club are to keep the study hall clean and filled with flowers, mend old books and magazines, fix any new books which the school buys, and check books in and out.

On December 3, the librarians from six counties including Yazoo County met in Yazoo City for a sub-district meeting with Miss Mannie Berry, state supervisor of libraries.

Under the direction of Stanley C. Beers this band has made a record for itself which will be hard to beat by any group or organization of its kind in the state. Last year at the state band contest this band won first division in every event, including concert playing, sight-reading, and marching. Only two other bands in the state equaled this record.

Yazoo City is proud of its band and of the success it has made during the football season. Marching is an essential part of this work and many hours are spent to perfect the maneuvers put on at the football games.

JUNIOR HIGH PRESS CLUB

The most important project which the Junior Press Club has undertaken this year has been the editing of the Junior Highlights, a paper to cover Junior High activities.

In addition to this, different types of creative writing have been studied, with club members trying their hands on special preferences. Serious and humorous poetry, sketches, reviews, and even narratives have been attempted.

A Junior Press Club serves as an introduction to journalism and only the fundamentals have been stressed, with the purpose of interesting members in later advanced work.

First Row: Bowman Weber, Frederick Comola, Jimmy Griffis, Jimmie Lee McMurtray, Martha Denman, Sim Liddon, Noel Guthrie, Wallace Myatt, Eva Rose Hopkins, Jack DeCell, Billy Adams. Second Row: Jo Lynn Royal, Nettie Muirhead, Marsha Dunn, Elizabeth Miller, Prudence Darrington, Jimmie Zell Bell, Jimmy Neeld, Billy Motsinger, Leroy Simmons, Marion Coody, Miss Thompson. Fourth Row: Charlyne Walker, Glenda Hickman, Rheta Tompkins, Bobbie Burns, Sterlene Wells, Stanly Evens, Bobby Coleman, Jack Hogue, Jerry Walker.

JUNIOR HIGH BAND

Second Row: Hardy North, George Davis, Foy Scroggins, Frank Patty, Bill Holmes, Gwen Simmons, Wilma Blakemore, Donnie Simpson, Jimmie Channel, J. B. Brown.

Third Row: Mary Upton, Sandra Seward, Carol Gaye Rogers, Prudence Darrington, Dorothy Coleman, Vernon R. Netherlands, Jack Hogue, Alfred Mathis, Mr. Beers, Director.

Fourth Row: Burce Johnson, Martha Davis, Nettie Livingston, Jeannette Wilkins, Peggie Jo Faulkner, Glenda Hickman, Hunter Barnwell, Plam Mathis.

The Junior Band meets every day at the sixth period and is the nucleus for the Concert Band. Twice a year this band gives a public concert which has always been an outstanding success. Playing before both the High School student body and the Elementary School student body this group of young musicians has made an enviable record for itself. After spending one year in the beginning band, most of the players spend another year in the Junior Band getting ready for the Concert Band. As members are needed for the advanced band, this group acts as a feeder, and musicians are transferred as needed.

JUNIOR HIGH DRAMATIC CLUB

First Row: Bobbye Wood, Pauline Fennell, Hazel Houston, Hunter Barnwell, Wilma Copeland, Dorothy Wootin, Mary Lawrence, Betty Rogers, Dick Morgan, Ray Merritt, Phillip Washington, Ronnie Osborne, Kenneth Fullilove, Jerry Barrett. The officers of the Junior High Dramatic Club are as follows:

Nettie Taylor Livingston, President, Patricia Wilson, Vice President, Barbara Hollowell, Secretary, and John Abney Reeves, Treasurer.

Our Plans for the year have included stage directing, production of plays, choral readings, and pantomime presentations.

JUNIOR HI-Y

First Row: Mr. McDaniel, Webb Comola, Colin Harrison, Eugene Vancleave, Donald Roberts, Bobbie Williams, Frederick Comola, Lawrence Guion, Jimmy Griffis, J. B. Brown.

Third Row: Paul McGinty, Bobby Smith, George Kirk, James Potter, Charles Walker, Bruce Johnston, Kenneth Fullilove, Leroy Wiltcher, Joe Grady Russell, Joe Collins, Rule Scott, Raymond Adams, A. P. Kelly.

The Junior Hi-Y Club is a character building organization of sixth, seventh and eighth grade boys. The purpose of the club is to develop leadership in individuals and to promote a sense of civic responsibility among junior high boys.

Besides the civic and religious aspects, the club also serves as a social organization. Many interesting programs are given throughout the year.

JUNIOR HIGH 4-H CLUB

The Junior 4-H Clubs have the same organization, functions, and purpose as the regular 4-H clubs. The only reasons for this Junior division are that better co-operation and interest was noted with the younger members in a club of their own, and then there are a few projects in the 4-H Clubs not practicable for the younger members.

First Row: Eugene Van Cleave, Alvin Waller, Jimmie Lee McMurtray, Sam Kirkland, Alvin Rozier, Eddie Loflin, Jessie Brant, John Carley, Howard Clardy, Herbert Collins, Michael Powell, Hilary Ivers, Hastings Shipp, George McCoy. THE STUDENTS AND FACULTY WISH TO EXPRESS THEIR APPRECIATION FOR THE CO-OPERATION AND SUPPORT OF THE BUSINESS MEN AND WOMEN OF YAZOO CITY. THOUGH WE DID NOT DEPEND ENTIRELY UPON ADVERTISING FOR FINANCING OUR YEAR BOOK, YOUR GENEROUS FINANCIAL SUPPORT ENABLED US TO PRODUCE A MUCH BETTER YEAR BOOK THAN WE COULD HAVE DONE OTHERWISE.

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are proud of the part we have had in preserving "treasured memories" in 1949 Annuals for more than 1100 Colleges and High Schools in seventeen States.
