BOOM

January

Another year, the same group of Seniors, and the Freshmen were getting stale. Beta Club and the Academic Bowl were a nice addition. On January 3, the halls were packed and the countdown rolled on.

5

February

Baseball and Tennis swung into play and Track began with a bang. Beta Convention was held and Who's Who were selected. St. Valentine's Day was a dud.

4

March

Spring Break began, but was soon over. Cheerleaders were chosen. New NHS were inducted and the Advanced Science Project Group kicked tail at the regional fair.

3

April

Prom was a major blowout and Baseball, Track, and Tennis faded out.

2

May

Graduation Day opened new doors as Seniors and Juniors accepted their new status with open arms. Freshmen sighed at no longer being at the bottom and 1994 was blown to smithereens.

In Youth Is The Promise Of The Future

The future of our community is in the hands of our young citizens. And, fortunately, it is a future bright with promise. For our young people's character has been built from childhood on the values that really matter.

As our young graduates go out into the world, we can count on them to continue building their lives on solid values. And we can count on them to contribute to the economic resources of this great land by their newfound knowledge and their honest labor.

Best wishes from Citizens Bank.
