YCHS FOOTBALL

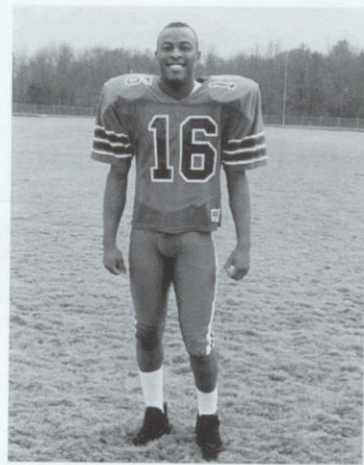

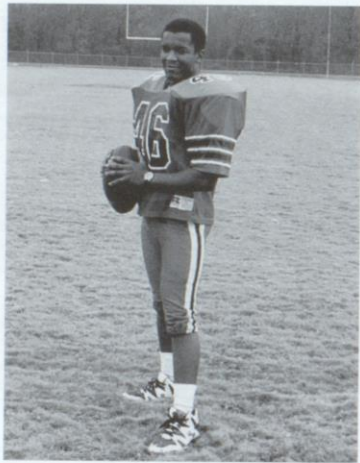

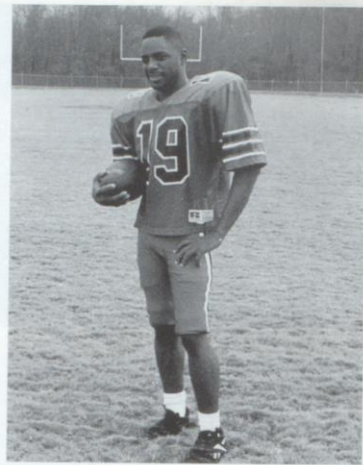

This year the football team had its best season ever. For the first time in twenty years the team made the play-offs. This is because of the wonderful efforts of such coaches as Bennie Tillman, Brad Nutter, Morris Callihan, William Dodd, Toby Melton, Willie Richardson, Wendell Reed, Clifton Cotton and David Black. Some of the leading players of the season included David Gainwell, who gained 1,000 rushing yards; Antonio Coleman, who was the leading passer; Keith Brewer, who had the most tackles; and Marneko Thomas, who had the most interceptions. The team ended the season with a 7-5 record and a berth in the play-offs against Starkville High, the first place team in the state.

A good education
ensures a great future.
A great bank
doesn't hurt either.

Knowledge will take you a long way in the world. It seems that most successful people have a few things in common: intelligence, honesty, persistence and commitment. But even the greatest of minds can use a strong financial partner.

If you're looking for the right bank for you, come by and give us a pop quiz. You'll see that we've done our homework.

The leaders of tomorrow can be found in the youth of today. . .

This strong belief in the youth of today is clearly evident at Mississippi Chemical Corporation. Since its early beginnings in the 1940s, Mississippi Chemical has always been an involved leader in the effort to improve education. We continue to support a quality educational system for the betterment of the young adults of today.

Mississippi Chemical realizes the decisions of tomorrow will be made by the young leaders of today. We pledge to continue to encourage and support their efforts to become the best that they can be.

Congratulations Yazoo City High School Indians
