Dedication

Because she has given of her patience, cheerfulness, and good will,

Because she has a real love in her heart for all boys and girls,

Because she is an integral part of all we know and hold dear at Holly Bluff,

Because we have known her,

We, the staff, proudly dedicate this 1952 Zookey to Mrs. Frankie Nolan.

Superintendent's Message

This school today, more than ever before, is prepared to meet the changing needs of society. Let us not be satisfied but continually change to keep pace with our modern world.

We, the faculty, want to teach the fundamentals that have to do with skills, understandings, and aptitudes. Then the boys and girls will be able to live a rich life, contributing their share to humanity.

I wish to express my appreciation to the sponsors and staff for the fine work done in producing this volume of the "Zookey."

Sincerely,

J. P. Will
