*We
Dedicate*

To our most highly respected and esteemed sponsor of the senior class, who has worked faithfully with us for two years, and at the same time has helped each student in high school toward preparing better class work,

To our Music instructor and teacher of English who has endeared herself to us all,

We, the staff, proudly dedicate this 1954 edition of the Zookey to Miss Mary Catherine Fletcher.

Superintendent's Message

Another school year is practically over. My congratulations go to those of you who can look back with satisfaction to tasks and projects well done. As in school, so in life: those who plan their work and work to make their plans come true will always be richly rewarded.

In the years to come, may you remember a few of the useful duties and tasks of being a clean and honest citizen. May you always try to do and say the best of your fellowman. Strive always for honesty, loyalty and dependability.

My best wishes go to each of you and especially to the graduates of 1954.

Sincerely,

J. P. Hill
