The Zookey

Volume VIII

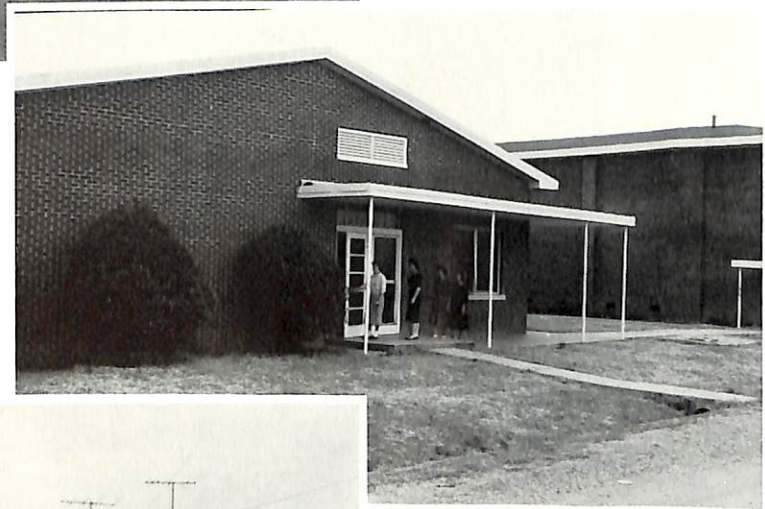

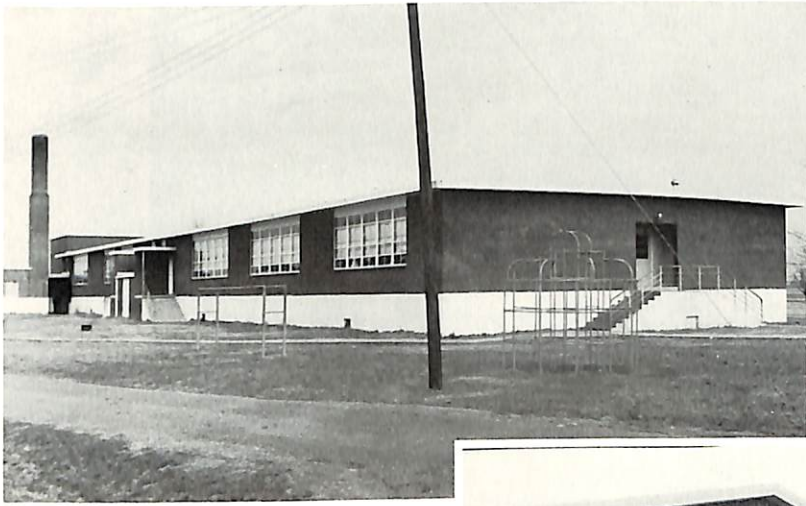

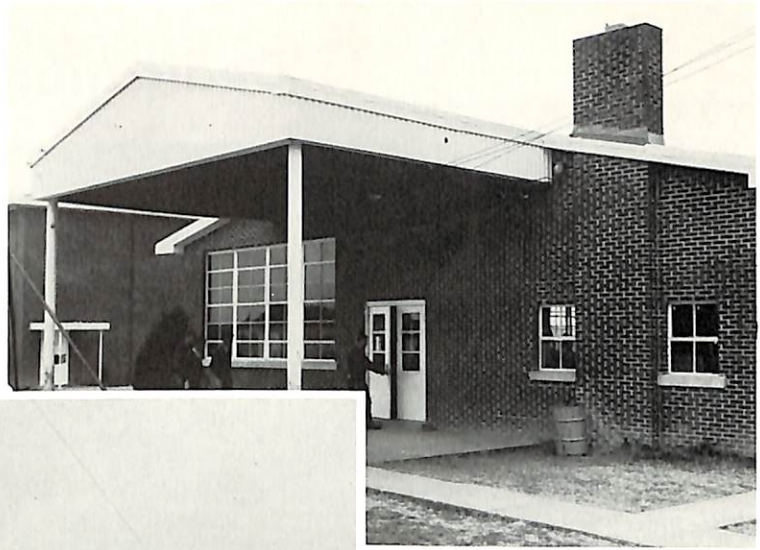

Holly Bluff, Mississippi

1962

Dedication

MRS. CLARA DOWNER KARPE

We, the annual staff, do proudly dedicate the 1961-62 Zookey to one of our most beloved former teachers, Mrs. Clara Downer Karpe. She served with devotion and guided many in their preparation for the future.

Real teachers are dedicated to their calling. They are born, not made. We feel that it can be truthfully said of "Miss Clara" that she was a real teacher.

In the thirteen years that Mr. Hill has been at Holly Bluff School, his friendliness and sincere interest in the growth and development of the students have established him as both superintendent and friend.
