Dedication

The cheerful smile which is always there, the willingness to give of yourself, and the joy you get in helping others have meant a great deal to our school system for the past 26 years.

Your contributions to our school will forever be enduring. For your complete unselfishness, your desire to help all students, whether it was an extra roll or an extra piece of cake, will always be remembered.

With all these kind deeds in mind, we gladly dedicate the 1969-70 edition of the Zookey to MRS. J. C. GORDON, manager of the school cafeteria.

Editor's Message

We, the 1969-70 Zookey staff, hope that this annual will become one of your most prized possessions and that you may look back over the faded snapshots and remember the good old days at H.B.H.S.

We sincerely hope that each of you may find something special among these pages that will bring a smile to your face a twinkle in your eye. Your satisfaction with this volume will be our compensation.

REPORTER

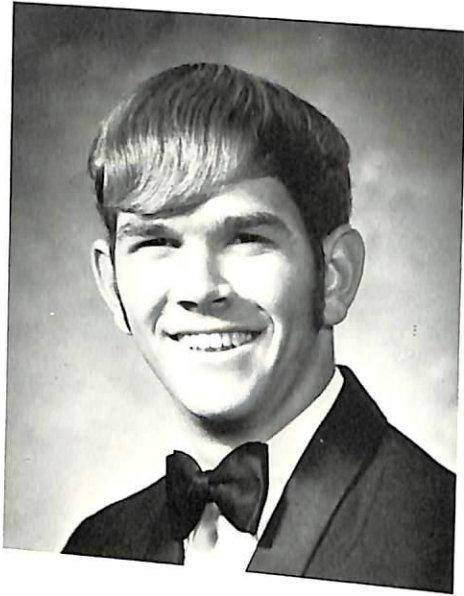

Brenda Ford

The Senior Class of 1969-70, with boys outnumbering the girls 9 to 4, have displayed quality in athletics, school spirit, scholastic achievement, awards, and extra-curricular activities.

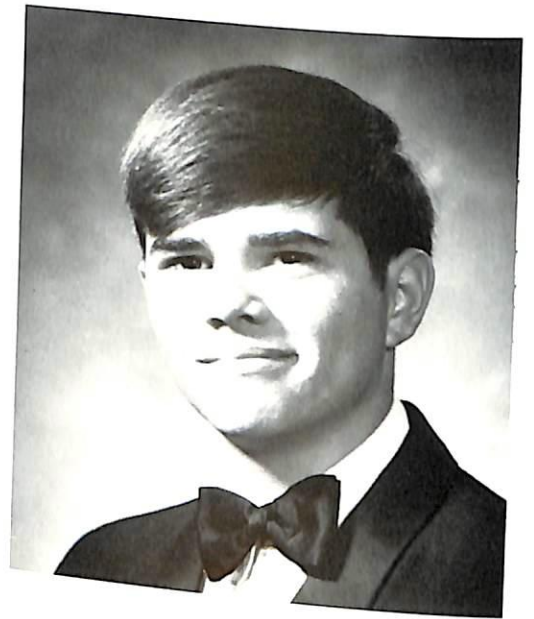

In the year 1958 we began our 12 long years of school. Class parties, graduation, understanding from a great faculty, Mr. Bobby DuBois, the Senior sponsor, Coach Larry Benson, Mr. J. W. Crawford, Mrs. Bettye Herrington, Mrs. Florence Fisackerly, and Mr. Oscar Goodman, are things of the past, but memories are never to be forgotten by those of us fortunate to enjoy them.

As we walk down this familiar hall that we have walked so many times before, we begin to think of how many memories these halls have, some good and some bad, but we shall always hold them close to our hearts.

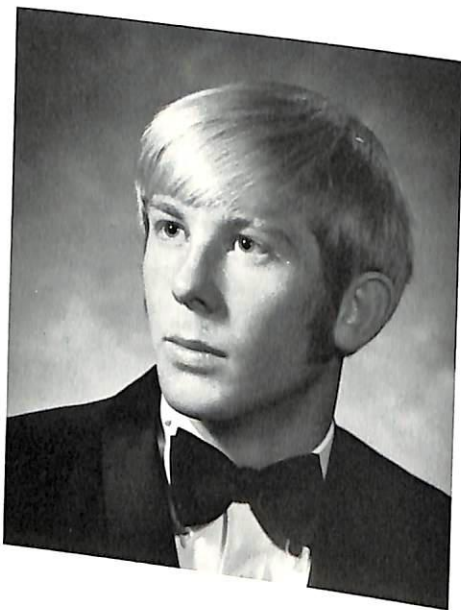

In the years to come we shall look back and laugh at the trouble we so carelessly got into, and the cunning way we tried to get out of it. Yes, as this year comes to an end and our class takes its last walk down this lonely hall, as a class and as a family, we will go our separate ways. In some ways we feel happiness and in others sadness. Now, with God's help, we Seniors seek our destiny, in life.

JUNIORS

Active is the word for the pace-setting H. B. H. S. Juniors. Pulling 16 strong they have been a shining example of spirit itself. Officers elected by the class are President, James Langley; Vice President, Bill Wyatt; Secretary-Treasurer, Carol Renfroe; and Reporter, Polly Ann Cook. The Red Cross Representative for the year is Wix Crawford. The sponsor of the Junior class is Coach Larry Benson.

Taking part in many school activities, the Junior class has held many offices. Participating in the school's extra-curricular activities, many of the organizations rested on Junior shoulders, such as basketball, 4-H clubs, cheerleaders, and many more.

Certainly the class has a great record to be proud of, but they will not rely on that record alone. They are eagerly anticipating their Senior year with bright hopes and new challenges.

At our first class meeting our tenth grade class officers were elected.

Many members of our class have taken part in school sports, and the rest of the class has given moral support.

We have decided, instead of exchanging gifts at Christmas, we will donate money to the children's home.

The last meeting of the tenth grade will take place at our Christmas party.

FACULTY

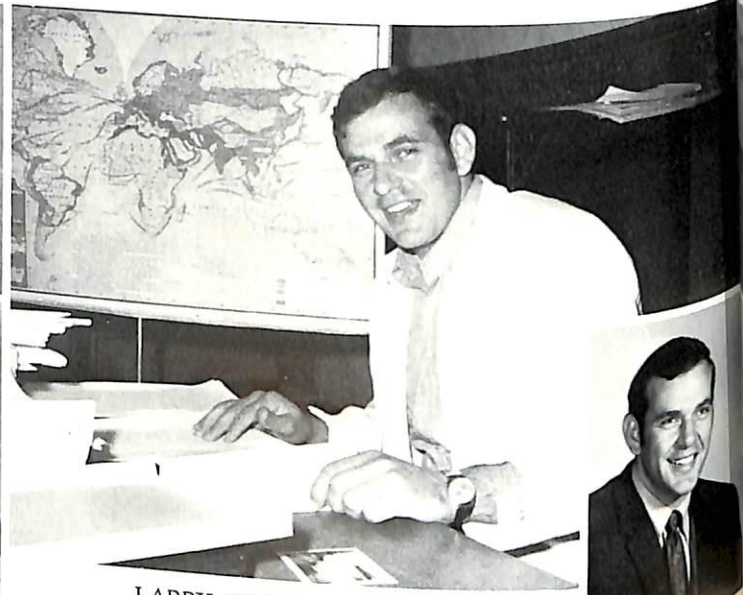

Faculty

And gladly would they learn, and gladly teach - The 13 faculty members at Holly Bluff have followed this motto to its ultimate conclusion. They have devoted their time and energy to help all students by working diligently throughout the year to teach invaluable lessons which students need to guide them through today's rapidly expanding space age. Because we are children and teenagers, we cannot fully appreciate their efforts now, but soon we will see the realization of their long hours of work, patience, and understanding.

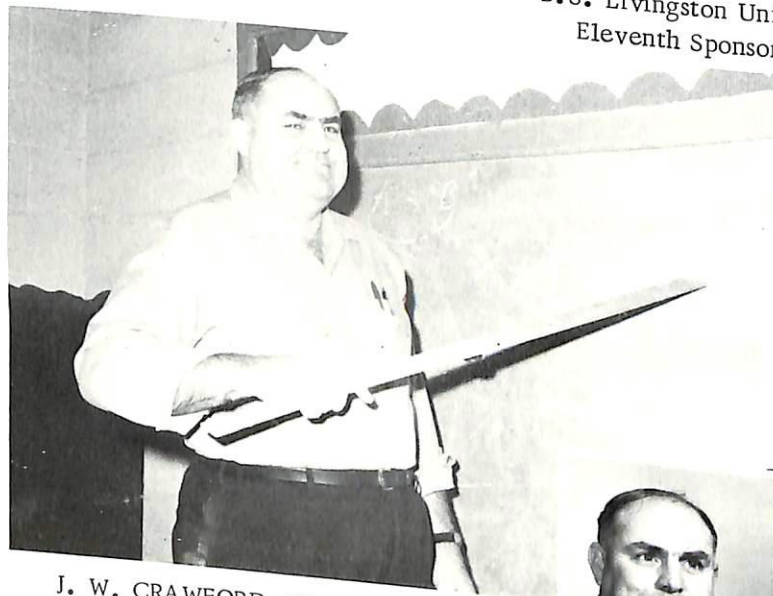

For now, though, we salute the faculty for their able efforts to provide students with higher goals and ambitions.
